But a Clever Reporter Outwitted the Comedians and Got the Words." When Donnelly and Grard, the comeaway early this season, the songs incidental to "Natural Gas" were new, says CARPETS. the Chicago Fest,

The ditty about the horse Bonaparte struck the popular tancy, and many efforts were made to obtain the words. The music was so easy a loy could remember the air, but as the comedians ad \$125 for the song, the words were kent in close cus ody.

One of these who were near y ' tickled to death " with the song was the editor of

t beat p per, who despatched a stenog-capher to "take it," Tapher to "take it."

The stenographer, thinking the comedians would teel flatte est by the presence of a shorthand writer, sat in the front row. The sent tegan and the reporter whipped out his note book and commenced to "take it." The comedians arithmeter and we believe equal to wear to a brusself.

menced to "take it." The comedians reached the lines;

"The owner of a horse and back said he would sell to him the fastest horse on Brighton track," when they stopped.
The orchestra played on and wondered what had happened. Then those on the stage began guying the reporter, whose face was now suffused with himses. That audience did not hear the rest of the song, nor did the sudience the next night.

Saturday night, however, the comedians saig it again. The reporter was there, sang it again. The reporter was there, but this time up makex in the second gallery, out of sight. He took the song, missing a few words, which were ofterwards reauthy simplied, and the editor published it is his paper the following Manday avenue.
